

Timeline for Ph.D. Students in the Department of Civil, Architectural, and Environmental Engineering (CAE)

⚠ Not drawn to scale. Milestones and durations are approximate, as the timeline is intended to provide a modicum of structure and guidance for incoming students. Actual duration depends on many factors, especially whether the student already has an M.S. degree. Department and university policies and procedures may change. Students must regularly consult with their advisor, the CAE Graduate Program Director, and the Graduate School for changes and additional requirements.
